TV STAR competition Part 2

SUPER PRIZES TO BE WON!

Here's what you have to do:

Pictures of 3 well-known TV stars are shown below.

Cut them out carefully and paste them on your gift card which was given away free in last week's issue.

Each square on the gift card has a clue to the star's identity and you must find the right square for each picture.

Three coloured pictures will be given away each week. When you have the complete set of 12 you will have a colourful wall chart of TV stars.

When we give the last 3 pictures of the set we will also print a competition coupon which you can fill in, telling us the order in which you have placed the photographs — and in no more than 12 words you must tell us why you like the new MIGHTY TV COMIC.

The winners of our competition will each receive a super prize as shown on the cover of this and last week's issue.

COMPETITION RULES:

Entry for this competition is free and open to all readers in the UK and the Republic of Ireland other than relatives, agents or employees of Polystyle Publications Ltd. The editor's decision is final on all matters relating to the competition. No correspondence can be entered into. Results will be printed in a future issue of Mighty TV Comic. Competition closes 31st October 1976.
